

# Children's Bible Month session plan

Bible Month is a great time to encourage children to read the Bible. To help with this, we've produced this five week session plan with a Bible story and key theme each week. You can use *The Big Little Bible* to share the story each week. We've also included the key verse on each illustration for colouring in. These are available for download on the website [www.goodforlife.nz](http://www.goodforlife.nz)
